Referral Program

We run our business almost entirely from referrals. Our clients seem to love referring us, so we thought that we'd give back! For every referral that you send us, you will receive either \$50 cash, a gift card for the place of your choice, or we would love to get together and take you out to lunch! We appreciate your business and your referrals!

Featured Client: Independence Plus

Independence Plus is a supported living agency in Los Angeles that inspires adults with Autism and other mild intellectual disabilities to be participants in every aspect of their lives.

"It's our goal to revolutionize the way people with disabilities are supported in their homes and communities," says Co-founder and CEO Gavin Linderman. "We call ourselves Independence Plus, because adulthood is about independence, plus: friendship, work, hobbies, family, health, happiness, and much more."

"We are more than support staff. We are allies, mentors, coaches, instructors, and friends. We take the time to understand our clients, because this is their life, and we are here to support their dreams," explains Kyle Cadman, Co-founder and Director of Client Services. The Independence Plus vision is not only to teach their clients independent living skills, but to also change the hearts and minds of the community in how they perceive the people they support.
